

## **Solving Systems of equations Video Lessons**

**Directions:** Watch all three videos on solving systems of equations. While watching the videos, be sure to take notes as you watch. If the video shows something you did not understand or want to see it one more time go back and watch that part again. When finished with all three videos return to our math website and click on EE. Standards, EE.8 Schoolnet and begin working on problems 20-52 evens only.
